What's civic engagement?

"Civic engagement means working to make a difference in the [eivie] life of our communities and developing the combination of knowledge, skills, values and motivation to make that difference. It means promoting the quality of life in a community, through both political and non-political processes."

Civic Responsibility and Higher Education,
edited by Thomas Ehrlich, published by Oryx Press, 2000

"Life's most urgent and persistent question is, 'What are you doing for others?'"
