

WASHINGTON
VIRTUAL ACADEMIESSM

**NAWD Conference 2017
Meet The Pros Session
Virtual Assemblies**

WAVA High School is a public school available online to any resident student in the state of Washington. Washington State categorizes WAVA High School as an alternative learning experience through the Omak School District. WAVA High School maintains an enrollment of 1300 students from urban, suburban and rural settings. We are currently in our 12th year of providing interactive online instruction for the students in the state of Washington.
