

MORNING *at the* MUSEUM

More than a ketchup museum!

As Pittsburgh's "people museum," the History Center preserves and interprets the history of Western Pennsylvanians through six floors of interactive exhibitions that feature iconic artifacts.

Become "Our neighbor" as we spend a few hours exploring Mister Rogers' neighborhood, dill-light in the history of Heinz foods, and "catch up" on the City of Champions from Franco to Swin.

Your morning out includes transportation, a 60 minute docent lead tour, and 1.5 additional hours to explore the museum. You will have the option to enjoy some authentic Pittsburgh fare as lunch can be found in The Strip District.
